Dear Member,

Well are the weeks not going in so fast. Halloween around the corner then Christmas. Hope everyone is ready to get out on our trips and get their Christmas shopping done.

We have our Christmas Get together booked at Lochside House Hotel again this year as we all enjoyed it so much last year. We hope to see all our members old and new there to celebrate with us. Details are on next page.

Our booking day proved to be successful. To ensure everyone has an opportunity to book we will **NOT** take any bookings before:

**MONDAY 20TH OCTOBER @ 9.30AM**

When you call on Booking day you will be prompted to press option 1, and clearly state the trip **dates** that you require and once you have done so please hang up your message will be dealt with in the time order in which you made the call.

We said goodbye to one of our drivers in August who hung up his keys for the last time. We would like to wish Colin and his family all the best for the future.

Hendrika Psaila has joined Coalfield Community Transport. She will be on some of our trips to introduce herself. There is a little bit about her on page 12.

Sadly we have lost some members over the past year and as always we are thinking of their families as we head towards the festive season.

*Best Wishes*

*From all of the staff at Coalfield  
Community Transport*

Hello,

I would like to take this opportunity to introduce myself to you.

I am Hendrika Psaila and work at the Coalfield Community Transport as a Project Development Officer on the Motability project. The aim of the project is to help all eligible and disabled people make the journeys they choose.

I moved to Sinclairston, East Ayrshire in 2013. I live there with my husband, two boys, two dogs and two cats. I like to be active so in my leisure time I either go swimming, cycling, skiing, running or a long walk with the dogs. To relax I enjoy painting, sewing, writing and reading. I am also keen to visit museums, musical concerts, theatre and art performances.

What encouraged me to work for Coalfield Community Transport. I love being active and going out and about. Doing the things I enjoy doing. I know what it is to be restricted in getting out and about, due to previous physical circumstances. I want everyone to be able to make the journeys they choose in the best way possible. At Coalfield Community Transport, we can provide that service and I want everyone to be aware of our services So we can support you to make the journey you choose.

I will be joining Gordon on some trips to get to know you and gather information on what you think of our project and how we can improve and develop the service for the better.

I am looking forward into meeting you and hearing your stories!

Warmest wishes

*Hendrika*
