Dear Member,

I would like to thank you for your continued support throughout the year. The team have been working hard to provide you with your next quarterly brochure and as you will see there is plenty on offer.

We have tried to keep costs as low as possible for members, however postage and printing costs are continuing to rise as well as wages, fuel etc. Due to rising costs in relation to printing this brochure we are having to increase the membership fee to £10 for the year from your renewal. We understand times are tough for everyone at the moment, which is why the price of trips has not been increased at this point. I do apologise and trust that you can understand why we are having to take this necessary action.

We were very saddened to hear the devastating news that our friend and member Janice Girvan passed away suddenly. Janice was a longstanding member of the yellow-buses and loved her days out and nipping to Tesco for her weekly shopping. Janice will be sorely missed and our thoughts remain with Janice's family and friends at this sad time.

Hugh Baillie who worked with CCT over the years has also passed away, our members enjoyed some great days out with Hugh over the years. Our thoughts are also with Hugh's family at this time.

If you need any help with the trips or booking please contact Paula or Elaine on 01290 429 088 who will be happy to help.

Best Wishes

Susan Dever
