Dear Member,

We would like to keep you posted on some of the exciting developments at Coalfield Community Transport.

In February after eight years of faithful service, Julie decided to embark on a new adventure. Julie and Rosie (Julie's loyal four-legged friend) will be missed dearly.

We're exploring various National Trust for Scotland sites throughout the year, including the Hill House in Helensburgh. If there's somewhere you'd be interested in visiting, let us know and we can consider adding it to our future brochures.

Would you like to have email or internet access and don't know where to start? Well, from June we will be providing one to one digital support for members at our office in Cumnock. We can also help members to access free phone data. Contact Hendrika for more information on 07396746927

Our booking day system is working well. To ensure everyone has an opportunity to book we will **NOT** take any bookings before:

Wednesday 15th April @ 9.30AM

When you call on booking day you will be prompted to press option 1. Please leave your name and clearly state the trip **dates** that you require, once you have done so please hang up. Your message will be dealt with in the time order in which you made the call.

Looking forward to seeing you all travelling around the beautiful landscape that Scotland has to offer.

Best Wishes

*From all of the staff at Coalfield
Community Transport*
