Dear Member,

As we head into the colder months, we're pleased to bring you the latest outings for November and December 2026 and January 2027.

In this brochure, we're sharing great outings and discounts, information about our service, and feedback from the Cumnock & Doon valley lunch event.

Whether you're looking to explore Scotland, get out of the house, or simply meet up with friend, our Team Paula & Sarah are here to help you.

When you call to book trips you will be prompted to press option 1. Please leave your name and clearly state the trip **dates** that you require, once you have done so please hang up. Your message will be dealt with in the time order in which you made the call. For payment options, please select Option 2.

Looking forward to seeing you all travelling around the beautiful countryside that Scotland has to offer.

Best Wishes

*From all of the staff at Coalfield
Community Transport*

The word "Spotlights" is written in a large, black, cursive script. Above the letters, five spotlights are positioned, each casting a yellow beam of light down onto the text. The background behind the word is a soft, yellow, circular glow.
